Using this simple and effective  
proprietary time budgeting system...

- Find out how to budget and block your time to include marketing
- See and set realistic boundaries for business AND personal time
- Discover how to manage the “many hats you wear”
- Learn how to accommodate the unexpected
- Gain control over your time as you visualize your week

*Wow! This system  
really opened my eyes to the  
fact that I DO have time to market  
AND do my work AND spend quality  
time with my son! By being able to define  
my schedule and block it out on a weekly  
basis, I'm not “scrambling” anymore!*

*Thank you, thank you!*
